After taking into consideration the comments received from residents of the community, Lindsay Park Community Association's position is that we support the proposed Land Use Amendment (LOC2015-0345) with reservations.

Our community streets are already inundated with traffic and parking of Sports Centre patrons, and an expansion of the facility will only exacerbate the problem. Even though we support the expansion, we are also notifying the City to recognize that street parking for local residents is of major concern to the local residents.

Please note we will be communicating further with the City to address street parking in our community.

Sincerely,

Board of Directors
Lindsay Park Community Association

RE: LOC2016-0345

The following was sent by Lindsay Park Community Association (LPCA) to residents on January 9, 2017 - PDF is attached)

Hello,

A Land Use Amendment application has been submitted to the City by Repsol Sports Centre (formerly Talisman Centre).

The application pertains to an expansion of the facility. The proposed increase in land area is 5,624m² (60,500 ft²). Based on the diagram in the attached PDF, it would appear Repsol is looking to expand the footprint of the building to the west - which is currently park space.

The LPCA Board is meeting this week to review the proposal and draft a response. As residents of Lindsay Park, you can also provide your comments directly via email to the following:

Rafal.Cichowlas@calgary.ca (Planning File Manager)

dp.circ@calgary.ca (Document circulation controller)

gian-carlo.carra@calgary.ca (Ward 9 City Councillor)

ward11@calgary.ca (Brian Pincott, Ward 11 City Councillor)

Note that Lindsay Park will become part of Ward 11 effective October 16, 2017
