Repsol Centre Expansion Development

D.P. NUMBER: DP2019-6561

Parcel Address: 2225 Macleod Trail SE

Applicant: GEC Architecture

Description: Addition: Community Recreation Facility (South elevation); Change of Use: Office; Changes to Site Plan: Community Recreation Facility (parking)

Dwelling Units: 0

Proposed Development is: Discretionary

Proposed Use: Office, Community Recreation Facility

This is an application to increase the currently allowed area of land to accommodate an expansion of the existing building located at 2225 Macleod Trail. The proposed increase area is approximately 3390 square meters on the south end of the existing building.

Any resident who feels they will be impacted by this application and would like to see a copy of the circulation package, please email: lpca.yyc@gmail.com and a copy will be emailed to you.

Just prior to the City declaring a state of emergency the LPCA had begun planning for an Annual General Meeting in early May where this matter would have been on the Agenda. Unfortunately, given the current restrictions on gatherings due to Coronavirus, a general meeting to discuss this matter is not permitted at this time.

The deadline for comments to the City is May 28, 2020. Please email request/comments to lpca.yyc@gmail.com prior to May 22, 2020 and LPCA will formulate a response based on the comments received from community residents.
